Austin, Texas (June 10, 2022) – The Association of Accredited Small Business Consultants® (AASBC®) is proud to announce that Barry Hansen of SBG Consulting LLC in Walpole, Massachusetts has fulfilled the requirements and passed the certification exam to become an Accredited Small Business Consultant® (ASBC®).

By receiving the ASBC® designation, Mr. Hansen has demonstrated the knowledge required in all core competencies of small business and SME consulting to effectively assist clients in improving operations and achieving higher profits.

“By hiring an ASBC®, small businesses and SMEs are assured they are working with a professional who has the knowledge and expertise to help them reach their operational goals and maximize profits,” said Richard L. Weinberger, PhD, Chief Executive Officer, of the Association of Accredited Small Business Consultants® and a member of its Board of Advisors. “By offering advice on increasing efficiency and profitability, the ASBC® provides an extremely valuable service to small business and SME (small and medium-sized enterprise) owners and managers striving for success.”

With headquarters in Austin, Texas, and offices in Washington, D.C., the Association of Accredited Small Business Consultants®, the only global association specializing in training and certification of small business and SME consultants, provides certifications to individuals who demonstrate proficiency in the specialized consulting area of small business and SMEs.
